Tascomp Policy – Cookies

Tascomp is committed to being transparent about how we use cookies and similar technologies on our website to enhance your browsing experience.

Tascomp provides products and services to organisations and does not as a norm deal with the general public. However, our website receives visitors from various sources including potential customers, partners, and other stakeholders who may interact with our online content.

Modern websites rely on cookies and similar technologies to function effectively and provide users with relevant information. This cookie policy explains what cookies we use, why we use them, and how you can manage your cookie preferences. As our website and business requirements evolve, this policy will be updated as necessary.

1. Introduction

In order to conduct and manage our business on a day-to-day basis we inevitably gather information relating to individuals. As part of GDPR this processing is permitted as legitimate business interests, as it is fundamental to allowing us to give the best possible service.

We use cookies on: tascomp.com, planrun.co.uk, pams.aero and prodigyscada.com, to enhance user experience.

2. What are Cookies?

Cookies are small text files that are stored on your computer by your web browser. We use them to identify how visitors arrive at our site and the subsequent path they take through it. This helps us to improve our service to you.

Tascomp does not use cookies to collect or store Personally Identifiable Information (PII).
